Working Bee
Many thanks to all the parents and children who attended our working bee last Sunday. So much was achieved in such a short space of time. Tan bark was spread over the playgrounds, many plants were planted strategically around the school, drains were unblocked, general gardening and cleaning up, vegetable garden turned over and we made a start on spreading granitic sand around the running track. We finished the morning with a sausage sizzle and a few well-earned drinks. As a result our school is looking fantastic. Many thanks one and all.
Father’s Day Breakfast
What another great community event our Father’s Day Breakfast was. We had close to 200 dad’s come along and have breakfast with their children over the course of the morning. Many thanks to Jenni Browne, Laura Carlone, Mel Davis, Bianca Delahoy and the many other parents and grandparents who helped organise and prepare the breakfast for the dad’s and children. We trust all of our Dad’s get spoilt this Sunday and have a great time with the family.

T-Ball
Congratulations to our Boy’s T-ball Team who participated in the Metropolitan T-ball championships last Monday at Waverley Park. Our super team won the first three games and made it through to the grand final against Essex Heights Primary School. The grand final was a fantastic game which had all the supporters, coaches and team members on the edge of our seats cheering on the team. The team was narrowly beaten by Essex Heights P.S. in a super game of T-ball. Congratulations to the boys and coach Miss K on a fantastic effort to get to this level of competition. We are all extremely proud of the team and look forward to congratulating them at assembly on Friday. Well done Daniel, Ethan, Hayden, Bailey, Elijah Keam, Sione, Bailey, James, Jordan and George.

Book Week
Boy did we have some characters turn up at school today. Little Red Riding Hood was here along with Tin Man, Little Bo Peep, Harry Potter, Wally, Slappy, Cat In the Hat, Old Macdonald, Thing 2, Tiger, Rainbow Fairy, Angels - lots of colours and other book characters too many to mention.

Phil Kettle the author of the children’s books ‘Too Cool’ series spoke to us all after our parade and then signed books for staff and children in the Library. It was a great day and many thanks to Miss Bain for organising such a fun day.
**Prep Extended Afternoon and Grade 1/2 Sleepover.**
Last Friday our Preps had an extended afternoon whilst our Grade 1/2 children enjoyed a sleepover at school. The children and staff had a great time engaging in lots of fun activities whilst enjoying dinner and breakfast together. Many thanks to our super dedicated staff in Mr McBain, Miss Paton, Miss Bain, Miss Dunn, Mrs McCoy, Miss Bethune and Mrs Emonson for giving of their time to organise and provide such a great opportunity and experience for our Prep Grade 1 and Grade 2 children.

**Prep Enrolment 2017**
Our Prep classes for 2017 are almost full. If you know of anyone who is intending to send their child to WASPS next year please ask them to enrol as soon as possible to avoid disappointment.

**Vermont Lions Club**
The Vermont Lions Club are and continue to be great supporters of our school in so many areas from painting our Library to funding students to attend Licola Camp. The Lions Club have two trailers that they let out and use for various community events. One is a BBQ trailer and the other a garden trailer full of gardening equipment.

The Lions Club are looking for somewhere to store their trailers until such time as they find permanent storage. If you have room to store the trailers (doesn’t have to be undercover) please contact Gary Howard on Ph. 9898 7952.

**Have a great weekend everyone and to all our Dad’s, have a great day on Sunday.**

RESPECT WASPS Expectations

1. Listen respectfully – no talking when others are talking.

2. Moving between and entering learning environments with respect – students move in a quiet, orderly fashion; students also knock before entering a classroom and wait to be addressed by the teacher.

3. Patience/manners/words – students are to demonstrate patience (wait when wanting to address/talk to someone), use manners (please, thank you, excuse me, etc).

4. Respect and Care of others – the community will be speaking kindly, they will be thinking about what they are saying to others (acknowledge others feelings), there will be little to no physical contact between community members (this is to be explicitly taught).

5. No calling out in class – students will put their hands up to speak and will wait to be addressed before speaking.

6. Respect the property of others – the community will demonstrate respect and care towards school property and the property of others (no stealing, breaking, taking without asking, trading).

7. Doing our best, respect for themselves, a sense of pride – students will attempt to learn with a positive mindset to do their best, and take pride in their work and the work of others. Students will work on displaying respect for their appearance while at school.
Student Absences
If your child is absent from school we ask that the office be notified prior to 10am if possible. We can be contacted either on 9801 1900 or by email to drake.debra.aa@edumail.vic.gov.au

Late Arrivals
If your child arrives after 9am, parents are required to accompany their child to the office to sign the Late Arrivals book.

This week at The Hive we

On Monday we pulled our sprinting shoes on and spent the afternoon racing around the oval. We took turns timing each other to see who could beat their P.B! We even challenged Alisha to a race!

Tuesday we made our own Pavlova slices! There were lots of different toppings to choose from and we each got to make our own uniquely scrumptious Pavlova!

On Wednesday we got environmentally crafty in the Hive, using bird seed, gelatine and cookie cutters! We mashed and moulded everything together then we smooshed it into the different cookie shapes to make our hanging bird seed feeders.

Coming up next week:

On Monday its kids choice day! We’ll take a vote and see who wants to get outside for some group games or free play, do some cooking or get into the art room to create something special.

On Tuesday we’re checking the weather and heading outside! We’ll enjoy some free play on the hard courts; big kids play ground and the oval. We might even learn a new game like Relay Netball!

On Wednesday we’re putting our chef’s hats on and making yummy cheesy muffins! We’ll work together to measure all the ingredients out to make our delicious cheesy muffins!!

On Thursday we’re getting creative making fingerprint cartoons! We’ll use different paint colours to print our fingers onto paper and then draw faces and arms and legs! I wonder what different cartoons we’ll draw?

On Friday we’ll head down to the multipurpose room and have a vote on some of our favourite games to play together. We might learn a new game of Freeze Cricket!

This week in Prep we have been reading the story ‘Possum Magic’ by Mem Fox. The students have enjoyed talking about the characters in the story and writing about their favourite part of the story. They got to make Hush the possum to hold up their amazing writing. The writing will be hanging up proudly in our classroom for the rest of the term.
