Trivia Night
This Saturday night promises to be a night of fun and laughter at our Trivia Night commencing at 7.00p.m in the Multi-purpose room. Our committee, led by Jess Bennett, have done an amazing job in assembling some outstanding prizes and raffle items. Mr. McBain is comparing the night and we all look forward to having a great time. It’s not too late to book a table or come along and join one of the many other tables. We would love to see you there on Saturday night. Please contact the office to book for what will be a sensational evening full of laughs and good times.

Principal for a Day
Today we welcome Julia Oxley CEO of the Emergency Services and Telecommunications Authority to WASPS for the ‘Principal for a Day’ Program. This Program was established many years ago to give community leaders the opportunity to spend time in schools and establish links with communities.

Julia will visit classrooms and spend time with staff and students as well as inform us all of her important role in Emergency Services and Telecommunications Authority.

Running Track
Many thanks to Ali Hussaini father of Masiha and Sami for the fantastic job in spreading the granitic sand around our running track over the weekend. The running track is really starting to take shape and will be levelled over the holidays. Thanks Ali for a fantastic job.

Book Week
What a great day we had last Friday as part of our Book Week celebrations. Students and Staff dressed up as their favourite book characters and the costumes were amazing. Many thanks to everyone
for your time and effort in organising Book Week characters and helping us all celebrate another great day at WASPS.

Phil Kettle the author of the children’s books ‘Too Cool’ series, spoke to us all about the importance of reading and after our parade he then signed books for staff and children. It was a great day. Many thanks to Miss Bain for organising such a fun day.

**Aussie Assembly**
This Friday we announce our Aussie of the Month along with Sports Star, Visual Artist and Performing Artist of the Month. Our Dance groups will also be performing. We look forward to seeing everyone at assembly on Friday. Assembly commences at 3.00p.m.

**Prep Enrolments 2017**
Our Prep classes for 2017 are almost full. If you know of anyone who is intending to send their child to WASPS next year please ask them to enrol as soon as possible to avoid disappointment.

**Vermont Lions Club**
The Vermont Lions Club are and continue to be great supporters of our school in so many areas from painting our Library to funding students to attend Licola Camp. The Lions Club have two trailers that they let out and use for various community events. One is a BBQ trailer and the other a garden trailer full of gardening equipment.

The Lions Club are looking for somewhere to store their trailers until such time as they find permanent storage. If you have room to store the trailers (doesn’t have to be undercover) please contact Gary Howard on 9898 7952

**Have a great weekend everyone.**

RESPECT
WASPS Expectations

1. Listen respectfully – no talking when others are talking.

2. Moving between and entering learning environments with respect – students move in a quiet, orderly fashion; students also knock before entering a classroom and wait to be addressed by the teacher.

3. Patience/manners/words – students are to demonstrate patience (wait when wanting to address/talk to someone), use manners (please, thank you, excuse me, etc).

4. Respect and Care of others – the community will be speaking kindly, they will be thinking about what they are saying to others (acknowledge others feelings), there will be little to no physical contact between community members (this is to be explicitly taught).

5. No calling out in class – students will put their hands up to speak and will wait to be addressed before speaking.

6. Respect the property of others – the community will demonstrate respect and care towards school property and the property of others (no stealing, breaking, taking without asking, trading).

7. Doing our best, respect for themselves, a sense of pride – students will attempt to learn with a positive mindset to do their best, and take pride in their work and the work of others. Students will work on displaying respect for their appearance while at school.
Reporting incidents of Bullying or Cyber bullying

As part of the accreditation process for becoming eSmart we have set up a way for students and parents to report any instances of bullying or cyberbullying that affects the students in our school community. The instances may occur in class, out in the playground or across digital mediums (e.g. email, iMessage, forums, etc).

To help you understand what each of the reportable areas are, we have included a definition that is also on the form:

**BULLYING** is repeated verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons.

**CYBERBULLYING** refers to bullying through information and communication technologies (ICT).

In order to be considered bullying, the behaviour must be aggressive and include:

- **An Imbalance of Power**: Children who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.

- **Repetition**: Bullying behaviours happen more than once or have the potential to happen more than once.

**HARASSMENT** is conduct which annoys, threatens, intimidates, or causes fear in another person. It is unwanted behaviour that offends, demeans, or threatens another person. The behaviour causes a hostile environment.

You will find a link on the front page of our website that can be filled out and submitted to our principal team.

The forms will be checked on a regular basis and will be followed up accordingly.
**OFFICE NEWS .....**

**Student Absences**
If your child is absent from school we ask that the office be notified prior to 10am if possible. We can be contacted either on 9801 1900 or by email to drake.debra.aa@edumail.vic.gov.au

**Late Arrivals**
If your child arrives after 9am, parents are required to accompany their child to the office to sign the Late Arrivals book.

**CANTREEN CLOSED**

The Canteen will not be open tomorrow, Friday 9th September for lunches or snacks.
**This week at The Hive we**

On Monday we took a vote and decided on half in half out for the afternoon. We played on the little kids playground, testing our skills and got crafty in the Hive making all sorts of different things and playing in the Hive store!

Tuesday we decided to get outside and take advantage of the sunny spring weather! Some of us got cooking making mud pies and sand pizzas while others challenged their P B’s by racing around the oval.

On Wednesday we baked some yummy, cheesy muffins! We all worked together mixing and stirring all the ingredients together to make our mouth-wateringly deliciously muffins!

**Coming up next week:**

On Monday we’re getting creative making symmetry self-portraits! We’ll use different techniques and strategies to make our portraits! I wonder what everyone’s portraits are going to look like?!

On Wednesday we’ll head down to the multipurpose room and have a vote on some of our favourite games to play together. We might even learn some new games, who knows what fun we’ll get up to!

On Tuesday we’re checking the weather and heading outside! We’ll enjoy some free play on the hard courts; big kids play ground and the oval or maybe even play a game of Giants Treasure!

On Thursday we’re putting our chef’s hats on and making a colourfully swirly rainbow cake! We’ll work together to measure all the ingredients out right to make our scrumptious Rainbow Swirl Cake!!

On Friday its kids choice day! We’ll take a vote and see who wants to get outside for some group games or free play, do some cooking or get into the art room to create something special.
