- **Monday 29th**: Aussie Assembly
- **Friday 26th**: Yr. 5 & 6 Swimming Program Commences
Welcome Back
Welcome back to everyone for what will no doubt be another exciting year of learning at WASPS. I trust everyone had a fantastic break with family and friends over the festive season.

A special welcome to all our Foundation students and parents who have joined the WASPS community today. The children looked fantastic in their crisp new uniforms as they came to school for the first time with Mum, Dad and grandparents. You could feel the excitement and anticipation in the air as the children entered the classroom and met their fellow students. We look forward to seeing the children learn and achieve as the year progresses.

A big welcome to all the new students and families who have also joined us from other schools this year. We trust that you enjoy our wonderful school community.

Welcome Miss Bethune
It is with great pleasure and excitement that we welcome Miss Emma Bethune to our teaching staff this year. Miss Bethune will be teaching Grade 1/2 D this year.

Library Upgrade
Our Library is almost finished with lots of work happening over the holiday break. The painting is now complete, carpet laid and new joinery installed. The new shelving has arrived and we will be getting books back on shelves this week. We hope to have our Library up and operational by early next week although our new furniture is about a week away.

Assembly
School assemblies will again be held each Friday afternoon, but this year they will begin at 3.00p.m. in the Multi-purpose Room. The format of
assemblies will change slightly this year. One week we will have a performance assembly where individual grades and various performing groups will perform and on alternate weeks we will give out student achievement awards where we recognise student performance. We will still have an Aussie of the Month assembly each month. We look forward to seeing everyone at assemblies throughout the course of the year.

Have a great weekend,

Wayne Macdonald
Principal
HELLO

Hello everyone. I am thrilled to be teaching in grade 1/2 D this year and I am looking forward to meeting all the students and parents of the school this coming year. The highlights in my teaching experience so far have been voluntarily teaching in a primary school in Vanuatu, completing a primary school Internship as well as having numerous experience teaching in local primary schools. My passion is dancing and I have been dancing since I was three years old across numerous genres, dancing in many concerts both domestic and Internationally. I have also been lucky enough to perform in the 2006 Commonwealth Games opening and closing ceremonies. I have been teaching dance for the last 3 years and I find it extremely rewarding helping children learn and seeing them achieve their full potential. I enjoy exercising, taking my dog Harley for long walks, Pilates and spending time with family and friends. I’d love you to come and say hi to me when you see me around the school.
